Chatham, ON. N7M 2H1

Dear Rob DeJong:

From management and staff from our 3 locations at Mid-County Ford we would like to extend our sincere appreciation for your professionalism in caring for our printing needs. Express Copies & Printing have often gone above and beyond the call of duty to ensure the job gets done. We have found it so easy to business with them; the Sales team is always willing to sit down with us in our offices and of course Express Copies & Printing always provides free delivery!

We look forward to a continued close working relationship in the years ahead!

Sincerely,

A handwritten signature in blue ink that reads "Karen Melton".
